# Creative City

“ Let’s create a space where musicians can come from all over the city and reserve practice spaces.  
— Jim, Brighton ”

“ Sullivan Square has opportunity. Restore old factories/warehouses into a vibrant neighborhood for artists.  
— James, Charlestown ”

# Imagine if Boston's neighborhoods were centers of creative expression.

## What if we could...

(Check all that appeal to you)

- Support neighborhoods as centers of creativity through arts innovation districts
- Encourage the creation of multi-use performance facilities
- Identify spaces in City-owned buildings for creation, performance, and rehearsal
- Explore zoning that would encourage arts and cultural facilities

## What can we do to encourage the installation of great public art?
